

APPENDIX 1: CSRS FOR DENMARK FROM 2015 TO 2019

Year	CSRs
2015	<ol style="list-style-type: none"> 1. Avoid deviating from the medium-term budgetary objective in 2016. 2. Enhance productivity, in particular in the services sectors oriented towards the domestic market, including retail and construction. Ease the restrictions on retail establishments and take further measures to remove remaining barriers posed by authorisation and certification schemes in the construction sector.
2016	<ol style="list-style-type: none"> 1. Respect the medium-term budgetary objective in 2016 and achieve an annual fiscal adjustment of 0,25 % of GDP towards the medium-term budgetary objective in 2017. 2. Enhance productivity and private sector investment by increasing competition in the domestic services sector, in particular by facilitating market entry in retail and construction. Incentivise the cooperation between businesses and universities.
2017	<ol style="list-style-type: none"> 1. Foster competition in the domestically oriented services sector.
2018	<ol style="list-style-type: none"> 1. Increase competition in domestically oriented services sectors, for instance in the distribution of utilities and in the financial sector.
2019	<ol style="list-style-type: none"> 1. Focus investment-related economic policy on education and skills, research and innovation to broaden the innovation base to include more companies, and on sustainable transport to tackle road congestion. 2. Ensure effective supervision and the enforcement of the anti-money-laundering framework.
